

Barnstable American Legion Post 206 Baseball

P.O. Box 960 • Marstons Mills, MA 02648

April 3, 2008

Dear Sponsor.

For the first time in many years, the Barnstable Post 206 American Legion Baseball Team is publishing a team program that will be printed in early June and distributed throughout the summer at all of our games.

Post 206 is comprised of the best 15-19 year old baseball talent from the town of Barnstable and it prides itself on putting forth the best team of championship-caliber players in the area. More importantly, we aim to put forth the highest character of young men into our community and hope that your business will support our efforts.
